

Dear Parent/Guardian,

As part of the music curriculum this year, the 4th graders are learning to play the recorder during music class. The recorder is a woodwind instrument that is easily learned at the elementary level, and is a great preparation for woodwind and brass instruments for 6th grade band. The school provides a recorder to use during music class, but if your child would like to have a recorder to practice on at home, I will be placing an order for a 2-piece recorder that includes a case, fingering chart, and a cleaning rod for \$3.50. Purchasing a recorder this year is optional, however, I will be ordering the same recorders that will be used next year for 5th grade music class at the middle school. Also, I will be sending home packets of music to any students who would like to be able to practice their recorders at home. If you are interested in purchasing a recorder, please complete the form below and return with money in an envelope to the **office** by **Mon., Oct. 8**. Make checks payable to CES. Scholarships are available.

Sincerely,
Mrs. Thompson
