Bright Beginnings

PRESCHOOL PROGRAMS

The 2-day program for **3 & 4-year-old children** provides your child with experiences in group and individual play, language activities, story time, music, art, hands-on projects which encourage fine motor skill development, and physical education (gross motor skill development). We spend considerable time working on social skills and other daily living skills as this is often the child's first real school experience. The curriculum is flexible and regularly adjusted to meet individual needs and growth. This class is offered Tuesdays and Thursdays from 8:15-11:15 a.m. Children enrolled in this program must be 3 years of age by December 1 of that school year and **must be potty-trained.** Tuition is $110/month payable 1st of each month or in 3 equal installments of $330 the 1st of September, December and March. Childcare Assistance (DHS) payments accepted.

The 4-day program for **4 & 5-year-old children** is designed to build kindergarten readiness skills. Concepts such as letters, shapes, colors, numbers, and patterns are incorporated into various learning activities and projects throughout the year. Children are given the opportunity to learn them when they are ready. We continue to work on social skills and work habits as well as encouraging sharing and cooperative play with others. Activities which encourage fine motor skill development (cutting, coloring, gluing etc.) are provided daily. Other learning activities include games, physical education, art, music and pre-reading and writing developmental exercises. The preschool teacher works closely with the kindergarten teachers throughout the school year to assure a smooth transition from preschool to kindergarten. This class will meet Tuesday-Friday from 8:15-11:15 a.m. and 12:30 p.m. – 3:30 p.m. Children enrolled in this program must be 4 by December 1 of that school year and **must be potty-trained**. Tuition is $175/month payable 1st of each month or in 3 equal installments of $525 the 1st of September, December and March. Some free tuition slots available.
